

# HI5 Math Work Sheet

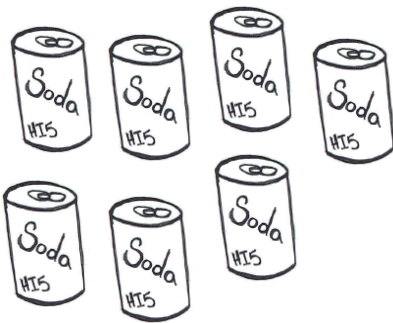

## Multiplication with HI5

Recycling your HI5 bottles and cans at a redemption center is fun and you can earn some money. Let's do some math problems with HI5 bottles and cans. Remember each bottle and can is worth 5 cents.

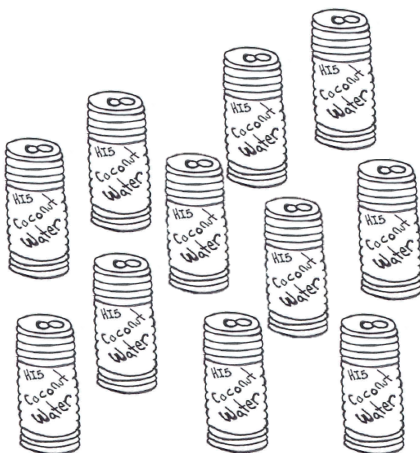

**1. You have 3 plastic water bottles. How much money should you get back from a redemption center?**

- A) 30 cents B) 15 cents C) 40 cents D) 100 cents

**2. You have 7 aluminum soda cans. How much money should you get back from a redemption center?**

- A) 55 cents B) 70 cents C) 20 cents D) 35 cents

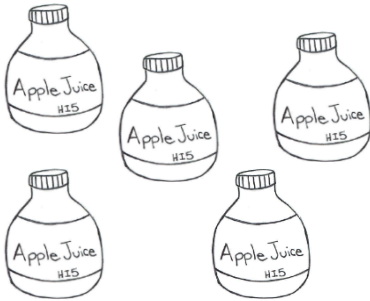

**3. You have 11 bi-metal coconut water cans. How much money should you get back from a redemption center?**

- A) 55 cents B) 5 cents C) 40 cents D) 10 cents

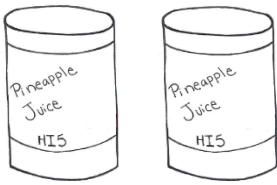

4. You have 4 glass soda bottles. How much money should you get back from a redemption center?

- A) 20 cents B) 40 cents C) 15 cents D) 60 cents

5. You have 5 plastic apple juice bottles. How much money should you get back from a redemption center?

- A) 60 cents B) 35 cents C) 25 cents D) 15 cent

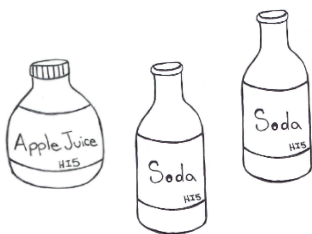

6. You have 2 glass bi-metal pineapple juice container. How much money should you get back from a redemption center?

- A) 10 cents B) 20 cents C) 25 cents D) 40 cents

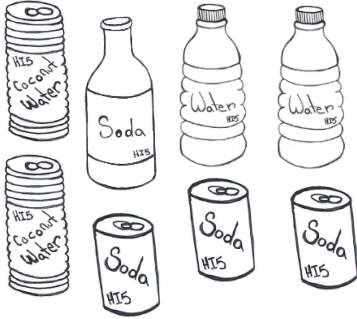

7. You have 9 glass green tea bottles. How much money should you get back from a redemption center?

- A) 40 cents B) 15 cents C) 45 cents D) 80 cents

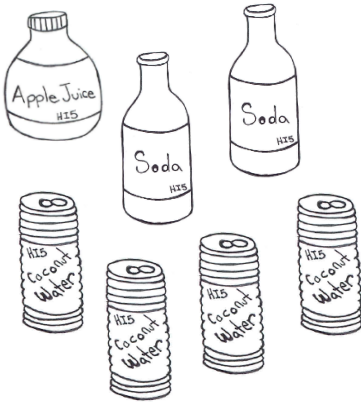

8. You have 1 plastic bottle and two glass bottles. How much money should you get back from a redemption center?

- A) 60 cents B) 15 cents C) 55 cents D) 35 cents

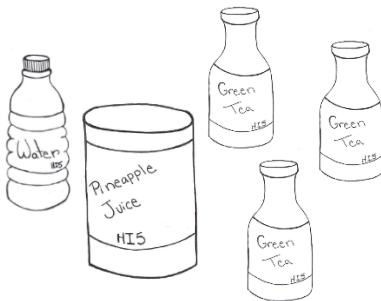

9. You have 1 glass bottle, 3 aluminum cans, 2 plastic bottles and 2 bi-metal containers. How much money should you get back from a redemption center?

- A) 30 cents B) 40 cents C) 15 cents D) 70 cents

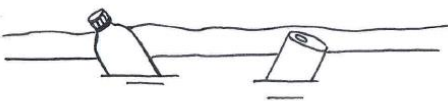

10. You have 2 glass bottle, 1 plastic bottle, and 4 bi-metal containers. How much money should you get back from a redemption center?

- A) 35 cents B) 20 cents C) 15 cents D) 40 cents

11. You have 1 plastic bottle, 1 bi-metal container and 3 glass bottles. How much money should you get back from a redemption center?

- A) 10 cents B) 25 cents C) 80 cents D) 50 cents

12. You are doing a beach cleanup with your class. You and your class pickup 5 plastic bottles, 6 glass bottle, 1 bi-metal container and 7 aluminum cans. You bring your bottles and cans to a redemption center. How much money should you get back?

- A) 90 cents B) 25 cents C) 200 cents D) 85 cents
